

**Great Western War XIII**  
**October 6-11, 2010**  
**Arts & Sciences Class/Workshop/Demo Proposal**

1. Use a separate form for each class/workshop/demo.
2. Fill out all information so we can help you to have:
  - 2a: A really good class/workshop/demo listing in our GWW publicity
  - 2b: A good teaching experience with students who know what to expect.
3. Teachers get A&S information as a group so put <Arts@caid-gww.org> in your contact list to avoid our being classified as spam. Not receiving GWW A&S Area information can hamper teaching a class effectively.

**NAMING OF NAMES:** "A&S" was the original name of the arts & sciences area. Last year, Artisans Enclave was added to introduce the concept of workshops & demos, so we called the mixture "The A&S Area." This year we want to emphasize the sciences, so are returning to our original Arts & Sciences name. Confused? It's still the same game so come play anyway!

**NOTE:** For the purpose of shortening the wordage on this form, "Class" will stand for class, workshop &/or demo.

PLEASE PRINT CLEARLY!

**CLASS** (structured lesson);  **WORKSHOP** (hands-on);  **DEMONSTRATION** (no hands-on);  
 **OTHER:** \_\_\_\_\_.

**TITLE:** \_\_\_\_\_
